## **DIGITAL IMAGE/SLIDE TIP SHEET**

### **Labeling and Presentation:**

- Each image must be 72 ppi/dpi/resolution.
- Each image file must be a "jpeg".
- The image size should not exceed 900 pixels in height or 1200 pixels in width. Each file should not exceed 5MB.
- Label your JPEG files "01 to 10" followed by your last name. For example, Joe Smith's image files would be: 01Smith.jpg, 02Smith.jpg, etc.
- Number the image file names in the order you would like them viewed. Make sure these numbers correspond to your Work Sample Description Sheet.
- Put only the images you are submitting for the application on the CD.
- Write your name, address, and phone number on your CD and CD case.

### **Materials for Digital Image Presentation**

- PC formatted CD-ROM, available at office supply stores or general stores such as Fred Meyer or Bartell's.
- CD case to protect CD from scratches, etc., available at office supply stores or general stores such as Fred Meyer or Bartell's.

### **Slide/Image List**

- Make sure your name is on the Description Sheet.
- This list should be in numerical order and correspond to the numbers on the digital files/slides as you have ordered them.
- Include this information for each image: title, medium, date completed, and dimensions (H" x W" x D"). You may also include here any other details about the piece that you'd like to add (in a sentence or two). You may want to include a brief explanation of unusual or complex techniques.
- A "thumbnail" of each image is helpful on this sheet, but not required.
